John Ziegler Dawn Renee Hennessy for you of all people to claim that this is a moneymaking venture for me is flat out hilarious! It is your son who made millions from this scam! I have made absolutely nothing And I have gone out of my way not to make anything!

It was you who made the statement quoted at trial that you were going to make a boatload of money out of this and guess what you did!! Even though your own son said that Penn State had nothing to do with his abuse and he didn't blame Penn State!

It was you who admitted you knew your former husband was abusing your own kids!

I had nothing to do with what penn state did or investigators found. I had nothing to do with the decisions made by them. The only thing I am guilty of is not putting the pieces together sooner. Not realizing that sandusky was molesting to my son. Ya know what asshole I will forever hold that on my shoulders. As far as John pic of his daughter in bathtub, I found it offensive, she's naked in a bath tub. That borders child pornography, how do you know some nasty sicko wasn't stealing that pic? I bean really? Not to mention do you ever think how johns daughter would feel growing up and seeing her naked body all over the Internet. It's just wrong, my opinion!

Dawn Renee Hennessy I don't suppose anyone has told anyone here that my son and I travel, we do workshops and trainings at conferences on sexual abuse. Most consist on dept of welfare, police investigators and cys employees. I try to do good, I'm called a bad mother by Ziegler I'm called a drunk, which I am not. My son is a good father to his kids and money seems to be the issue here. Not the truth! The truth is jerry made his way into my family. He took my son to his home and to campus. He molested him repeatedly. He tried to take over as Aarons parent. Always said I will handle him. I will talk to him. I took Aaron to school psychologist. Not once but twice, only for them to say jerry was a good influence and Aaron was just trying to be a man and I didn't have a husband!!! Seriously what does not having a husband have to do with my son obsessively bed wetting, getting violent, pulling away from things he loved. You know what you will continue to think what you want. Ziegler doesn't know the half of it. Sandusky molested all these kids. Anyone who had suspicions should have reported it .. There is no gray area there. You wouldn't be slamming some victims of sexual abuse mr Ziegler if your child was molested! U know what? Sad thing is, most parents don't know. Most kids don't tell . Your child could be molested at school, daycare, the neighbors, the ppl you learn to trust. It happens in big numbers ppl and maybe you should all be more concerned about that!!! 10 hrs · Like

I had to laugh at alot of how her and Aaron advocate for others BS they advocate for themselves only when they go out of state to talk to those that will "PAY" to have speak then they sell thier trash book and Gillum is always right beside Aaron. So they all cash in. Dawn tonight really showed people what she and her family is all about white trash that will lie about anything for money...... don't bother to work cause she never has in her life people need to wake up cause an GOOD innocent man sits in prison because of scum like this that lied......

Emily McMannes Oh, sure, I know he is a 'co-author' but didn't know if it was him that actually wrote the whole thing IoI. Clearly someone did...neither Aaron or his mother can string two sentences together in any logical fashion.

Dawn Renee Hennessy I talked to my son. He says he will gladly take a lie detector test only if Zeigler takes down the site and stops his crusade and leaves us alone!!! He also must publicly apologize and donate that 10 k to the let go let peace come in foundation. All in writing, before an attorney before he takes the test!

John Ziegler Dawn Renee Hennessy first of all, I haven't responded because when you deleted your previous comments on this thread and then unfriended or blocked me or whatever else you did, it stopped me from getting notifications for your posts. Secondly, why in the world would I make such a stupid deal like that?! That doesn't even make sense. If Aaron wants to take a test I would be happy to provide him one and we can negotiate what would happen if he passed and he failed. So let's negotiate that, but first you should explain why you deleted all of your comments on this thread if you have nothing to fear/hide!

Dawn Renee Hennessy No when he passes it. Your not stupid! He agreed to take the test if you agree to his terms when he passes it. And he will. Your a sneak and low life so of course you wouldn't take the deal... The reason I took em down is because I'm tired of my newsfeed blowing up! You can think about it. I already sent email to the media saying that Aaron offered this .. We just want u to leave us alone

Dawn Renee Hennessy Don't change the subject mr zeigler and no I didn't block you yet! Wouldn't let me!

John Ziegler Dawn Renee Hennessy so please explain to me your proposal. I am still confused. So he takes the test and if he passes I take down the website & pay charity \$10K?

First, I would need to be in charge of the administering of the test, second I need to know what happens if he doesn't "pass" the test.

Matt Creamer Dawn, I'd be glad to pay up towards this. But if Aaron Fails, he needs to come on national TV and apologize to Jerry Sandusky, Penn State, and John Ziegler.

1 hr · Like · 🖒 3

John Ziegler Dawn Renee Hennessy here is what I will agree to in principle:

Duel approval of lie detector test place & we split costs.

I get to be there and approve questions

I own a copy of the results

If Aaron fully passes (not "inconclusive") I will permanently apologize on the website, agree in writing to leave you alone, and pay \$10K to charity of your choice.

If he does not "pass" Aaron must release a signed public statement apologizing for not having told the truth about his abuse by Jerry Sandusky & agree to a videotaped interview with me.

Deal?

Dawn Renee Hennessy I don't know what that means but I will ask him when he comes back. You must apologize on national tv. Agreeing in writing doesn't really mean anything. So no you must go to attorney. File it and stick to it. Website framing paterno gets taken down. Everything your theories involving my son. Anything that has to do with that creep sandusky being innocent. Anything you wrote.. Gone!

John Ziegler Dawn Renee Hennessy I will agree to permanently apologize on my website & agree to take down every post that implies Aaron is not telling the truth. If someone wants to interview me I would be happy to apologize on TV too, but there is very little chance of any television station being interested in that so I cannot make that promise.

Dawn Renee Hennessy No take down everything. Sandusky molested all those kids and I'm sick of you harassing them. You wanna keep your bull about ncaa, joepa ect fine but nothing to do with sandusky 57 mins · Like

John Ziegler LOL Dawn Renee Hennessy fine just like if Aaron doesn't pass and he has to be interviewed by me, I will agree to any interview you want me to do if he does "pass" but Aaron has to send me an email indicating he agrees to all of this before I spend a dime putting it together.

John Ziegler Dawn Renee Hennessy your last ask is logistically impossible because there is way too much grey area. I will agree to take down everything regarding Aaron, but that is it. I'm not moving off of that. 54 mins · Like · 🟠 2

Dawn Renee Hennessy Sorry. There is no gray area . He either molested kids or didn't you want the truth and I'm offering it in exchange for those kids not to be bullied by you. You wanna bully ncaa, Corbett, whoever else who you feel wronged joe and his legacy that's your choice but your not going to make these victims go thru anything else I'm sick of it!

John Ziegler Dawn Renee Hennessy Aaron passing a lie detector test has ZERO relevance to the vast majority of the accusers and the Allan Myers story would still be key to exonerating penn state/paterno, so I am not going to agree to that. Period.

Lisa Knauff Shirk I have a question, how can you say ALL of these boys are not telling the truth? Were any of you in the court room every day? Did you hear and see the RAW emotion from these boys and the every steady smirk of Jerry Sandusky? Why did he/JS not speak or defend himself? There will always be many many questions we all may have, for this is so close to many of us. Thank you and have a nice evening
